

Does the watershed user have any other environmental concerns or suggestions of things that they would like to see addressed in the watershed?

Would you be interested in participating in activities of our stewardship program?

\_\_\_ Adopt a bird box/ Bird box monitoring/ put a bird box near your home or cabin

\_\_\_ Land conservation ( I agree not to clear cut \_\_\_\_\_ acres of my property for \_\_\_\_\_ years)

\_\_\_ Agree to a "Pack it in, Pack it out" motto to bring garbage home at the end of the day

\_\_\_ Agree to respect specialized fish management areas and support development of new strategies to increase population and biodiversity

\_\_\_ Agree to an "Adopt a Stream" program (i.e. check stream water quality/report concerns/clean up litter)

\_\_\_ I agree to ensure pollutants are not released into Indian Bay waterways (i.e. gas, oil and non-organic cleaners).

Do they own a cabin in the watershed/area? Yes / No

Would they be willing to have an assessment completed on their cabin property and have native plants planted on the land? Yes / No

Name (Print/ Signature): \_\_\_\_\_ Date: \_\_\_\_\_

Contact Information (Phone or E-mail) \_\_\_\_\_

Location of Cabin (if applicable) \_\_\_\_\_
